Property Description

3 BED FAMILY HOME IN THE VILLAGE OF WELLINGTON

Main Particulars

This property is located in the popular village of Wellington, perfectly placed just north of Hereford. The house benefits from central heating, double glazing and parking. It is well presented having been newly decorated throughout.

Internally; the hallway is a good size that would allow for a study area under the stairs. The newly laid laminate floor runs through to the lounge as well. The kitchen has a front aspect and is well fitted with solid wood worktops, an electric cooker, a fridge/freezer and space for a washing machine. There would be enough space for a small bistro type table and chairs. There is also a serving hatch through to the lounge/diner. The lounge/diner is an L shape room which has a lovely light feel. There is access to the rear garden.

Upstairs bedroom 1 is a good size double, bedroom 2 a small double with bedroom 3 being a single room. The bathroom is well fitted with a P shape bath with a shower over.

Externally; the garden has a paved patio area and a grass area with 2 good size storage sheds. It is a private garden with views over the countryside. The front garden has raised planters which are currently used as vegetable patches. There is also a small storage shed at the front.

Sorry, no pets are allowed.
